

## FINAL EXAM SCHEDULE SPRING 2018

### NOTE:

1. The final exam schedule is based on class lecture periods.
2. Instructors are asked to meet and administer the final exam in their regularly scheduled classrooms.
3. Final tests are to be given on the last class period prior to the first day of finals or at a time arranged by the instructor for the following: All one and two credit classes; IVN classes; and classes starting after 4:00pm.
4. For all classes listed in the spring schedule as "TBA," finals will be given during the last regularly scheduled class period of the semester or at a time determined by the instructor during finals week that does not conflict with other final exams.
5. For classes not listed on the final exam schedule, final exams will be given during finals week during a time arranged by the instructor that does not conflict with other final exams.
