

Local Articulation Agreement Between

Minot High School and Dakota College at Bottineau

This agreement has been enacted to facilitate the continuation of students from Minot High School (MHS) to Dakota College at Bottineau (DCB) during the 2017-2018 school year. Articulated credit is credit that is granted in specific courses by DCB to students who have satisfactorily completed equivalent high school courses.

3. Procedure

- A. Applicants for articulated credit must meet DCB admission requirements and must be admitted to DCB to participate in the articulation process within two years after graduating from high school. There is a one-time \$35.00 application fee that must accompany the application for admission.
- B. Students who desire to earn DCB credit for the aforementioned articulated course(s) must complete the appropriate MHS course(s) and pass with a minimum of a AB@average each semester.

- C. It is recommended that on or before the first Friday in April, the MHS instructional representative submit to DCB a list of students who wish to articulate the MHS Floral Design course into PLSC 177 at DCB.
- D. Students will be required to pay a one-time application fee of \$35.00 and a recording fee of \$10.00 per credit in order for the articulated credit to be recorded on their DCB transcript. Other than the fees mentioned in the previous sentence, students will not be charged any additional fees for tuition earned by articulation.
