Business Mathematics 8th edition by Cleaves and Hobbs

### **Course Requirements:**

Attendance is expected of all students. Grades will be based on performance on assigned work including classroom participation. There will be many in-class assignments worth 10 to 25 points. **These assignments cannot be made up**. If you are unable to attend class you should notify the instructor in advance. Failure to attend class is likely to result in a lower grade for the course.

Grades will be based on exams, and various assignments both in-class and take home, and a final project.

A = 90-100% B = 80-89% C = 70-79% D = 60-69% F = below 60%

All assignments are to be turned in on their due dates. Assignments turned in late will not be accepted unless the instructor has been notified in advance and has agreed to accept it at a later date. Exams missed without notifying the instructor in advance will result in 1 letter grade dropped per day until taken.
