General Education Goals/Objectives:

- Students will demonstrate an understanding of human development.
- Students will develop and identify techniques for working with and interacting with others with and without disabilities.

Relationship to Campus Theme: “Nature, Technology, and Beyond”

The purpose of the Education and Human Development Discipline is to educate students for careers as paraeducators, teachers, early childhood professionals and adult caregivers. The discipline provides coursework which transitions into higher degrees and work-related skills. Programs must prepare professionals based on industry standards and provide an educational continuum for degree advancement. Dakota College at Bottineau is committed to hands on learning environment and uses field experiences in educational setting as a common instructional technique.

Class Policies:

- Regular participation
- Regular attendance
- Complete all assignments, discussions, tests and quizzes in a timely manner and in the order they are assigned.
- Communication with instructor and fellow students
- Be prepared when class starts.
- Follow campus ethics policy on written work.

Grades: *Grades are earned through points and converted into a percentage. Percentages are calculated by dividing the total points earned by the total points possible. Grades are assigned to percentages:*

Percent	Grade	
90-100%	A	Target
80-89%	B	Acceptable-high
70-79%	C	Acceptable-low
61-70%	D	Unacceptable
0-59%	F	Unacceptable

Academic and Institution Policies:

Academic Integrity: The academic community is operated on the basis of honesty, integrity and fair play. It is expected that all students, as members of the college community, adhere to the highest levels of academic integrity.

Which Means:

- Students are responsible for submitting their own work. Students work **MUST NOT** be plagiarized.
- Students must not cooperate on oral or written exams or quizzes or work together on other assignments unless it has been authorized by the instructor.

Violations of academic principles such as cheating, plagiarism and other academic improprieties will be handled using the guidelines outlined in the Student Handbook.

Quality of Work:

At the college level of learning, it is expected that all work be submitted free of spelling, grammar and punctuation errors. Participation in the course work is expected and taken into account when determining coarse grades. Discussion and information must be thought- out, in-depth and incorporate new vocabulary and concepts learned during the course.

Confidentiality

The experiences or problems shared by classmates during meeting time are not to be discussed outside of class. This is preparation for those going into a helping field where confidentiality is stressed in the CEC Standards for Professional Practice.

Help Desk:

For help with Moodle: 1-888-918-5623, 701-228-5623 or email heidi.hall@dakotacollege.edu
