It will give you grammar and writing fundamentals with instant feedback on every question. Your grades will automatically record into the MindTap grade book. This will ensure that you are reading and understanding all of the concepts in the course.

OTHER REQUIRED MATERIALS:

It will be helpful to have access to a Standard English dictionary and a current office reference manual, such as The Gregg Reference Manual or the ability to search on the internet.

Course Requirements:

1. Thorough reading of assigned text segments and supplementary materials.
2. Complete understanding of the MindTap website and work continuously within the course in MindTap and BlackBoard.
3. Active, informed participation in online class discussion with other students and activities and intellectual engagement at all times.

Tentative Course Outline: You will complete activities in the MindTap website:

Business Writing, Prepare a variety of business letters and memos (routine, goodwill, persuasive/sales, negative), Reports & Proposal, Create several short

reports and proposals, Using Technology to Communicate, Learn about a variety of activities using technology (e-mail, chat, blogging, web sites and PowerPoint). Employment Communication, Learn how to create a variety of employment-related documents (résumés, cover letters, and followup letters).

General Education Competency/Learning Outcome(s) OR CTE Competency/Department Learning Outcome(s):

This is a fast-paced, intensive course that will require a lot of outside work and preparation.

It will be assumed that you have a good understanding of basic business English grammar and punctuation rules. These will not be covered extensively in class.

You should also be aware that proofreading and revision are extremely important when preparing business documents. All writing assignments submitted should be final drafts and of quality you would feel comfortable submitting to your supervisor. Only error-free documents will receive an "A". Remember always to use 'spell check' and above all, proofread your work before you submit it.

Your instructor reserves the right to make any necessary changes to the above syllabus. You will need to submit a non-corrupt document for each assignment before the due date to be considered for grading.
