

DCB Dental Hygiene Program

Prerequisites and Checklist for Admission

Admission to the DCB Dental Hygiene Program is on a competitive basis. The following are prerequisites for consideration for admission to the Dental Hygiene Program:

1. High School Diploma or GED Certificate and College GPA must be a 2.5 or greater
2. Students must be 18 years of age by December 31st of the year they start the program.
3. Application and admission to DCB is required before applying to the Dental Hygiene program. There are two application processes – first to the college and then to the dental Hygiene program.
4. Proof of Math and English Placement Scores. (See DCB Placement Scores)
5. Current CPR Certification for American Red Cross Healthcare Provider or American Heart Association Basic Life Support (BLS) Provider- must include a hands-on component. Student must remain current throughout program.
6. Proof of dental practice observations. (4 hours each in two separate practices)
7. Proof of Math Skill Readiness.
Student must have completed at minimum:
The developmental math course (ASC 093 or other pre-requisite math course that would qualify a student to take Math 103) with a grade of Satisfactory or “C” or a higher-level math course (such as MATH 103 College Algebra) or Equivalent scores for ACT/PLAN/SAT/COMPASS and/or Accuplacer taken within the last two years.
8. Proof of Academic Readiness, TEAS:
 - a. All applicants are required to complete the most current Assessment Technologies Institute (ATI), standardized **Test of Essential Academic Skills (TEAS)** prior to application deadlines.
 - i. Applicants are allowed two (2) attempts at the TEAS exam with a minimum of 4 weeks (28 days) between attempts per application period.
 - ii. A minimum TEAS composite score must be 55 or greater. Any applicant scoring below this number will not be accepted. The best score achieved, of two attempts, may be submitted.
 - iii. TEAS scores are valid for up to two (2) years prior to May 15th of the year of application.
 - iv. It is to your advantage to double check the other parts of your application to make sure you are qualified in the other areas before you attempt the TEAS exam.
 - v. It is recommended that you use the study materials on the TEAS website to score well on the exam. As noted above you may repeat the TEAS to better your chance of admission.
9. For any required college courses completed prior to admission, the grade in that course must be a 2.0 (C) or higher, and Dental Hygiene GPA for all completed required Dental Hygiene courses must be 2.0 or higher. The following science based courses must be taken with the last 7 years.
 - a. BIOL 220 Anatomy and Physiology I **and** Biol 221 Anatomy & Physiology II
 - b. DENT 116 Dental Anatomy
 - c. BIOL 202 Microbiology
 - d. CHEM 115 Introductory Chemistry
10. Guidelines for approval include:
 - a. High School Diploma **or** GED certificate

- b. College GPA must be a 2.5 or greater.
- c. No required course may have a grade lower than 2.0 (C).
- d. If a student repeats a required science course or previous Dental Hygiene course, a grade of 2.0 (C) or higher **must be obtained in the first repeat**. An appeal process may be sought if the student has failed science courses more than 2 times.
- e. Observation in two different dental practices prior to applying to the Dental Hygiene program.

11. A certain level of English proficiency is necessary for academic success in Dental Hygiene as well as for client safety. In addition to general college English proficiency requirements, all applicants born outside of the United States or Canada and applicants for whom English is not their native language (including International and/or U.S. residents) or who have not attended 4 years of U.S. high school and achieved a HS GPA of 3.0 or higher must meet additional language proficiency requirements for admission to the DCB Dental Hygiene Program. These requirements must be met prior to consideration for admission.

Minimum TOEFL Scores for Admission to the DCB Dental Hygiene Program

To be considered for admission to the pre-licensure program, English as a second language (ESL) applicants must achieve minimum scores on the TOEFL internet-based test (TOEFL iBT) of:

Minimum Cumulative Score of:

- 86 Combined

AND Minimum Individual Scores of:

- 26 in Speaking
- 20 in Writing
- 20 in Reading
- 20 in Listening

Test Preparation and Registration

- a. Complete information on the TOEFL iBT, including free test preparation materials, testing sites, and registration is available online at <https://www.ets.org/toefl>. Applicants may register for the TOEFL iBT by Internet, telephone (1-800-468-6335) or mail.
- b. Request official TOEFL iBT scores to be sent to:
 - DCB College at Bottineau - Enter Institution DI 3398.
- c. Only official score reports will be accepted. TOEFL scores are valid for two years from the test date.
- d. The cost of any/all required testing is the sole responsibility of the applicant.
- e. Applicants are allowed two (2) attempts at the TOEFL exam with a minimum of 4 weeks (28 days) between attempts per application period.

Dental Hygiene students for whom English is not their native language should be aware that they may not be able to complete the program of study within the described time frame. Students are encouraged to consult the Dental Hygiene advisor before submitting the Dental Hygiene program application. This gives the opportunity to discuss requirements and to arrange to either take the TOEFL exam if applicable or seek assistance to be successful on the TOEFL exam in the future.

11. Laptop Computer

Dental program students must have a laptop computer. The cost will be in addition to the cost of tuition, fees, and books. The computer must be a Windows-based system. Dakota College students have access to Office 365 in the student portal. The required computer specification can be found at:

12. Transportation

Students must have transportation available to and from campus, clinical affiliations, etc.

Checklist for the Dental Hygiene Program

1. _____ Complete an application for admission to DCB
2. _____ Complete the electronic application for the DCB Dental Hygiene Program
3. _____ Submit copy of current CPR certification
4. _____ Submit copy of dental practice observations
5. _____ Provide proof of math skill readiness (ACT, SAT or COMPASS, or transcript with math course)
6. _____ Provide proof of academic readiness (ACT, SAT, or COMPASS, or transcript with 12 required credits)
7. _____ Submit TEAS test results
8. _____ If required by English as a second language (ESL) applicants, TOEFL exam results

If your application is complete and you meet all requirements above, you will be invited to an interview as a final step in the application process.

After you are accepted into the Program, the Dental Hygiene Program Director will be sending you information on how to enroll in CastleBranch, which is a software program that will guide you through completing a Background Check and Drug Screen as well as keeping track of the required immunizations for the Dental Hygiene Program. The total cost is \$145.00 and is the student's financial responsibility.

Required Immunizations once you are admitted to the DCB Dental Hygiene Program:

Documentation will be due by July 15 (*unless specified).

1. Documentation of two Measles, Mumps, Rubella vaccination or Rubella positive titer.
2. Documentation of three Hepatitis B immunizations, positive titer, or a waiver.
3. Documentation of two Varicella (Chicken Pox) vaccinations or proof of a positive titer.
4. Documentation of Tdap (Tetanus, Diphtheria & Pertussis) vaccination within the last ten years.
5. Documentation of a negative two-step TB Skin Test (Mantoux), or QuantiFERON Gold blood test or Tspot. If positive, a copy of the lab report or a clear chest x-ray completed within the last year is required. This requirement will be a yearly renewal.
6. Documentation of a flu shot administered during the current flu season. *This requirement will not be due until October 1 to ensure administration of current vaccination and will be a yearly renewal.
7. Covid-19 Vaccination could be required, depending on requirements of individual clinical sites.

All applicants who meet the May 15th deadline will be notified of status by June 15th

Incomplete applications are not able to be processed and will be refused
