

Bottineau Community Rocks!

Tuesday, May 28th

6:00—7:00 pm

DCB Campus at Thatcher Hall

Alumni Conference Room

Come join us for this FREE event on the Dakota College of Bottineau Campus. Bottineau Community Rocks! is a community and family event for those interested in learning more about geology, minerals, fossils, crystals and more!

We meet once a month in the Alumni Conference Room in Thatcher to hear presentations and speakers, hear of exciting news in the geology realm, discuss our experiences and rockhounding tales, and share the love of geology.

Our topic for May is **SUMMER GEO-TRIPS**

Come learn about local adventures you can take over the summer to interest any geology fan in your family! Explore fossil and rock digging trips, museum activities, tours, geology shows and more! **We'll be joined by special guests: The University of Minot Geology Club on a presentation of their club proceedings. **

Sponsored by—DCB Community Education and Bottineau Community Rockhounds
