It will be assumed that you have a good understanding of basic business English grammar and punctuation rules. These will not be covered extensively in class.

All writing assignments submitted should be final drafts and of quality you would feel comfortable submitting to your supervisor. Only error-free documents will receive an "A". Remember always to use 'spell check' and above all, proofread your work before you submit it.

Your instructor reserves the right to make any necessary changes to the above syllabus. You will need to submit a non-corrupt document for each assignment before the due date to be considered for grading.

Dakota College at Bottineau is increasingly dependent upon email as an official form of communication. A student's campus-assigned email address will be the only one recognized by the campus for official mailings.
