

Course Prefix/Number/Title: DMS 250 Comprehensive Review

Number of Credits: 3 semester credits

Course Description: This course is designed to serve as a comprehensive review on the didactic course work of the sonography program. Upon completion of this course, students will be able to demonstrate and develop an effective method of preparation for sonography certification examinations and successfully complete scored mock certification examinations. It is completed in the fifth semester in preparation to write the general abdominal and superficial tissue sonography examination and the obstetrical/gynecological examination of the ARDMS or the ARRT sonography examination.

Pre-/Co-requisites: Not applicable

Course Objectives:

1. Complete multiple mock examinations in general sonography to include abdomen, superficial tissue, musculoskeletal and pediatric sonography.
2. Complete multiple mock examinations in gynecology and obstetrics.
3. Complete one final test on abdominal and superficial tissue and one final test on gynecology, obstetrics within the allotted time.

Instructor: Amy Hofmann/Keshia Gathman

Office: Suite 302 5th Ave Building, Trinity Health

Office Hours: 9 AM to 2 PM Tu, Th and by appointment

Phone: 857-5620

Email: amy.hofmann@trinityhealth.org

Lecture Schedule: 8:00-11:45 am and/or 12:00 -2:00 pm Tu, Th March 11 to April 5 in Suite 301

Lab Schedule: None

Textbook(s): Lange Review, Ultrasound Examination, 5th ed; Davies OB/GYN Sonography Review, 2nd ed; Davies Abdominal Sonography Review, 2019; Diagnostic Sonography, Hagen-Ansert, 8th Edition

Course Requirements:

Grading is based on completion of assignments, quizzes and test.

Assignments	15%
Quizzes	15%
Test	70%

Consistent with class attendance policy, the student is responsible for attending every class and for the material presented. If a student will not be attending a class, he/she must notify the Program Director prior to absence to plan for makeup time and activities.

Grading Criteria

A = 94-100% of the total points
B = 87 - 93% of the total points
C = 80 - 86% of the total points
F = <79% of the total points

Tentative Lecture Outline:

<u>WEEK</u>	<u>TOPIC</u>	<u>READING</u>
March 12	Abdomen/superficial tissue review and testing	
March 19	Abdomen/superficial tissue review and testing	
March 26	OB/GYN review and testing	
April 1	OB/GYN review and testing	

CTE Competency/Department Learning Outcome(s):

CTE Competency #1: Employ industry-specific skills in preparation for workplace readiness

Learning outcome #1 – Students will demonstrate ability to effectively collaborate and communicate with healthcare team members via written communication to provide optimal patient assessment, diagnosis and care SLO 2.1

Learning outcome #2 – Students will demonstrate effective oral communication skills to articulate appropriate patient information. SLO 2.2

Learning outcome #3 – Students will demonstrate professional behavior in the classroom and clinical setting by treating others with dignity, respect and compassion. SLO 3.2

Relationship to Campus Focus:

This course addresses a DMS Program focus by completing a comprehensive review to assess the knowledge and sonographic imaging skill sets necessary to perform sonography of the abdomen, gynecological, obstetric and superficial structures that are currently used in sonographic imaging. Students will be instructed and tested using current sonography examination review textbooks and mock testing.

Classroom Policies

1. Cell phones and related devices are prohibited in the classroom at all times. It is recommended that you do not bring your cell phone or other electronic devices into the classroom or, at the very least, turn it off.
2. Food and beverages are permitted in accordance with classroom policy.
3. Be respectful of other students, instructors, and guests.

Student Email Policy

Students must provide Trinity Health DMS faculty with a personal or preferred email address for communication while in the program as Trinity Health is increasingly dependent upon email as

an official form of communication. Additionally, our affiliated college and university, Dakota College at Bottineau and Minot State University (DCB and MSU) are increasingly dependent upon email as an official form of communication. A student's campus-assigned email address will be the only one recognized by the Campus for official mailings. The liability for missing or not acting upon important information conveyed via campus email rests with the student.

Academic Integrity

Dishonesty in the classroom or laboratory and with assignments, quizzes and exams is a serious offense and is subject to disciplinary action by the DMS Program Director. For more information, refer to the Trinity Health DMS Program Handbook policies. Additionally, according to the DCB Student Handbook, students are responsible for submitting their own work. Students who cooperate on oral or written examinations or work without authorization share the responsibility for violation of academic principles, and the students are subject to disciplinary action even when one of the students is not enrolled in the course where the violation occurred. The Code detailed in the Academic Honesty/Dishonesty section of the Student Handbook will serve as the guideline for cases where cheating, plagiarism or other academic improprieties have occurred.

Disabilities and Special Needs

Students with disabilities or special needs (academic or otherwise) are encouraged to contact the instructor and Disability Support Services within the first two weeks of the semester to line up accommodations.

Title IX:

Trinity Health and affiliated college and university faculty, Dakota College at Bottineau (DCB) and Minot State University, are committed to helping create a safe learning environment for all students and for the College as a whole. Please be aware that all DCB employees (other than those designated as confidential resources such as advocates, counselors, clergy and healthcare providers) are required to report information about such discrimination and harassment to the College Title IX Coordinator. This means that if a student tells a faculty member about a situation of sexual harassment or sexual violence, or other related misconduct, the faculty member must share that information with the College's Title IX Coordinator. Students wishing to speak to a confidential employee who does not have this reporting responsibility can find a list of resources on the DCB Title IX Webpage.
