Relationship to Campus Focus:

A focus on awareness of our impact in the world and on our environment. Discussion of utilizing new technologies to communicate and share information with small and mass groups of people. Students will also understand how to utilize these new ideologies and tools to their benefit, as well as the benefit of the world and society as a whole as emerging leaders.

Classroom Policies:

**Absences and Assignment Due Dates:** Late assignments will be docked 10% per day late and are eligible for points up to one week past due date. This is the policy for all assignments in all circumstances. Post assignments in Blackboard so that they are time stamped.

**Speech Day:** I will create a schedule for speeches and evaluations. If you miss your speech day, you will be allowed to make it up only if you contact me within 24 hours of the class period missed. I will allow one make-up speech per semester. Late speeches are docked 50%. You will make up your speech during the next class period where time allows you to speak at the end of all other scheduled activities. If you are on the schedule to speak, it is important that you attend class. If you miss one of your evaluation days, you will lose those points as if you are not there to complete the evaluation, you can not earn the points.

Typed outlines are required to deliver your speech. If you do not have a typed outline you will not be allowed to speak and will begin to lose points for late work. This requirement will not change in any circumstance. Either post your outline in Blackboard prior to class or print and bring me a copy of your outline to follow as you speak.

Speech is a class where attendance is of utmost importance. The above policies will stand and there are no exceptions.

**This is a speech class - your role as an audience member is very important. If you have your cell phone or computer out and are texting or surfing during a classmates speech you will be asked to leave the class.**

This class will be a place where all thoughts are welcome, no one fears sharing their opinion, and minds are open to new ideas. You have all EARNED the opportunity to be here by completing the same criteria, thus making you equals As emerging leaders, you are expected to show respect for each other's differences. Conflicting opinions are part of life and will create dynamic discussions. The instructor reserves the right to end these discussions and the participants will agree to disagree.

It is your responsibility to keep all assignments that are graded and handed back to you. In the case of a grade dispute, it is the student's responsibility to provide past assignments to confirm grades.

The syllabus is a living document that is subject to change. All assignments will be confirmed during the class prior to their due date. The instructor reserves the right to allow the class agenda to fluctuate as the course progresses.
