General Education Competency/Goal: Not Applicable

Relationship to Campus Theme: At first, nature and technology may seem to be opposites, but people by nature, are curious. This curiosity and quest for knowledge has led to the development of all technology. In turn this technology can be used to care for the Earth and therefore, improve the quality of life for all people.

Classroom Policies:

- Students are required to complete all class activities.
- Cheating will result in the automatic failure of this course.
- All assignments will be submitted in Blackboard.
- Assignments that are late will have points deducted accordingly.
- Incompletes are handled according to the campus policy.

Student Email Policy: Dakota College at Bottineau is increasingly dependent upon email as an official form of communication. A student's campus-assigned email address will be the only one

recognized by the campus for official mailings. The liability for missing or not acting upon important information conveyed via campus email rests with the student.

Academic Integrity: Students are responsible for submitting their own work. Students who cooperate on oral or written examinations or work without authorization share the responsibility for violation of academic principles and the students are subject to disciplinary action even when one of the students is not enrolled in the course where the violation occurred.

- Students will receive no credit for work that fails to meet standards of academic integrity.
- If a person participates in academic dishonesty more than once, the result will be an F for the course.
- The instructor reserves the right to interpret and declare what is considered cheating on a case-by-case basis.

Disabilities and Special Needs: Eligible students with disabilities are entitled to reasonable accommodations that allow access to education and services. The Disability Services Coordinator at DCB is Jackie Migler and she can be reached at 701-228-5672.
