### Books to keep for future classes

**Keep any books you may have for a class you are retaking**

**If you are going to take ENGL120, you will want to keep St. Martin's Guide to Writing with Sticks and Stones and possibly Writing about Writing. Only keep Writing about Writing if you are taking ENGL120 from Albrightson.**

**If you are going to take BIOL151 you will want to keep the textbook from BIOL150.**

**If you going to take BIOL221 you will want to keep the textbook from BIOL220.**

**If you are going to take BIOL221 in the classroom you will want to keep your lab manual from BIOL220. If you are taking BIOL221 online you will need a new lab kit.**

**If you have a Pre-calculus: Graphs and Models book from MATH103 with Chisholm, and are going to take MATH107 Pre-calculus from Chisholm, you will want to keep that book.**
