

DAKOTA NURSING PROGRAM

Bismarck State College • Dakota College at Bottineau • Lake Region State College • Williston State College

NURS 127 Syllabus - Spring 2020

COURSE: NURS 127: Practical Nursing II: Introduction to Medical Surgical Nursing

CREDIT HOURS: 2 Semester Hours (32 classroom hours)

COURSE DESCRIPTION:

Examine safe and effective client care of the bio-psychosocial individual along the health-illness continuum. Students will be involved in teaching and learning activities that enhance critical thinking skills, examine aspects of self-determination, health promotion, disease prevention and evidence based practice. Students will increase their understanding of nursing process and prioritization in the care of culturally unique clients across the lifespan in an ethical and legal manner.

MEETING TIME: Section I 0900-1050 on Thursday

BSC-Bismarck A, BSC-Garrison, BSC-Hazen and LRSC-Devils Lake

Section II 1300-1450 on Thursday

BSC-Bismarck B, BSC-Harvey, BSC-Hettinger, DCB-Bottineau, DCB-Minot,

Section III 0900-1050 on Tuesday

DCB-Rugby, DCB-Valley City, LRSC-Mayville, LRSC Grand Forks, WSC-Williston and WSC-Tioga

INSTRUCTOR:

Barb Haugland, MSN, RN (Section I Faculty)

Nursing Instructor

Lake Region State College

1801 College Drive North

Devils Lake, ND 58301

Office Hours: email or call for an appointment

Toll free 1-800-443-1313 ext. 4627

Office Phone 1-701-665-4627

Office Hours: email or call for an appointment barbara.haugland@lrsc.edu

Erin Williams, BSN, RN (Section II Faculty)

Nursing Instructor

Dakota College at Bottineau

105 Simrall Blvd., Bottineau, ND 58318

Office Phone: (701) 228-5444

Office Hours: email or call for an appointment erin.beth.williams@dakotacollege.edu

Gail Raasakka, MSN, RN, CNE (Section III Faculty)

WSC Nursing Program Director/Associate Professor of Nursing

Williston State College, HSSC 165

1410 University Avenue

Williston, ND 58801

Office Phone: (701) 774-4290 Toll Free: 1-888-863-9455

Office Hours: email or call for an appointment gail.raasakka@willistonstate.edu

PREREQUISITES:

NURS 120 Foundations of Nursing

NURS 121 Practical Nursing I

NURS 122 Clinical Practice I

DAKOTA NURSING PROGRAM

Bismarck State College • Dakota College at Bottineau • Lake Region State College • Williston State College

COREQUISITES: NURS 145 Introduction to Maternal Child Nursing
NURS 124 Clinical Practice II

REQUIRED TEXTBOOKS:

1. Assessment Technologies Institute (ATI) Review Package and Skills Modules for PN students.
2. Williams, L., & Hopper, P. (2019). *Understanding medical surgical nursing* (6th ed.), Philadelphia: F. A. Davis.
3. Silvestri, L. (2018) *Saunders Comprehensive Review for the NCLEX PN* (7th ed.) St. Louis: Saunders/Mosby.
*Students must have reliable high speed internet which is required to access online books and resources.

STUDENT LEARNING OUTCOMES (With Related Learning Activities and Evaluation):

NURS 127: Practical Nursing II: Introduction to Medical Surgical Nursing			
Program Student Learner Outcomes (SLOs)	NURS 127 Course Student Learner Outcomes (SLOs)	Learning Activities	Course SLO Evaluation
<p>Teamwork and Communication: Participate as a member of the interdisciplinary health care team through effective communication in the delivery and management of client care.</p>	1. Discuss how the nurse builds relationships with members of the interdisciplinary health care team to optimize effective communication and caring behaviors to promote client’s needs.	Assigned readings Group discussion case studies, specifying teamwork	Quizzes Exams Participation during case study review
	2. Discuss ethical and legal issues as an interdisciplinary member of the health care team interacting with clients along the health illness continuum.	Assigned readings Classroom lecture/discussion	Quizzes Exams
	3. Explain health promotion and disease prevention activities for the culturally diverse client across the lifespan.	Assigned readings Classroom lecture/discussion Assignments: Chest pain case study Abdominal pain case study	Quizzes Exams ATI assignment scores Case study participation
<p>Professionalism and Leadership: Incorporate professional standards and scope of practice as a certificate practical nurse while pursuing professional growth within legal, ethical and regulatory frameworks.</p>	4. Explain normal functions and alterations of fluid and electrolyte balance, acid-base balance and hemodynamics in the biopsychosocial individual across the lifespan.	Assigned readings Classroom lecture/discussion Assignment: ATI Respiratory case study	Quizzes Exams ATI assignment scores Case study participation
	5. Compare and contrast therapeutic communication skills and barriers to communication.	Assigned readings Classroom lecture/discussion Case study discussion	Quizzes Exams ATI assignment scores Case study participation
<p>Client-centered care: Provide culturally competent care for clients while promoting their self-determination and integrity.</p>			

DAKOTA NURSING PROGRAM

Bismarck State College • Dakota College at Bottineau • Lake Region State College • Williston State College

<p>Evidence-based practice And nursing judgement: Utilize the nursing process, science, and clinical reasoning to provide quality evidenced-based client care.</p>	<p>6. Discuss rationales for nursing judgments and prioritization of care for the client</p>	<p>Assigned readings Classroom lecture/discussion Cardiac, respiratory, and abdominal assessment assignments</p>	<p>Quizzes Exams ATI assignment scores Case study participation</p>
<p>Quality improvement and safety: Employ evidence based decision making to deliver safe and effective client care and to evaluate client outcomes.</p>	<p>7. Provide a safe and effective care environment for diverse clients with chronic and acute alterations in health across the lifespan in a variety of environments.</p>	<p>Assigned readings Classroom lecture/discussion NLN case study group discussion specifying safety measures</p>	<p>Quizzes Exams ATI assignment scores Case study participation</p>
<p>Informatics: Utilize appropriate technology to communicate effectively and manage information in the delivery of client care.</p>	<p>8. Use information management to provide evidence based information for client care scenarios.</p>	<p>Assigned readings Classroom lecture/discussion</p>	<p>Quizzes Exams,</p>

GRADE BREAKDOWN:

Exams: 90%
Quizzes/ Assignments: 10%
100%

GRADING POLICY:

The following grading scale is used:

92.0 - 100.00 = A
84.0 - 91.99 = B
76.0 - 83.99 = C
68.0 - 75.99 = D
Below 68 = F

There will be no rounding up of grades for any reason.

There is no extra credit offered.

Final exams will not be given early. Plan on being in school until the final day.

NCLEX REVIEW PROGRAM NURSING REVIEW PROGRAM:

The Dakota Nursing Program requires students to purchase and complete an ATI Nursing Review Program. This program is complete with the review modules (Books or eBooks, Skills Modules, Online Practice Assessments, and Proctored Assessments). Please review the complete ATI policy in your student handbook for preparation policy, remediation policy, and grading levels.

GRADING:

Course and clinical grades are based on a variety of activities and assignments designated by the faculty. The criteria by which grades for each theory and clinical course are determined are included in course syllabi distributed to students. Students have access to and should review the learning management system grading calculation method.

Students are responsible to know what their grades are during the course. Please review the gradebook frequently. If an assignment or exam in the student's gradebook says the assignment or exam has not been submitted or has not been entered, it is then treated as a fact that the student did not do the assignment or exam unless the student has written proof that they did in fact complete and submit such assignment/exam as outlined in the directions. Make sure your assignments

DAKOTA NURSING PROGRAM

Bismarck State College • Dakota College at Bottineau • Lake Region State College • Williston State College

are submitted well before the due date to assure timely submission. **Please see your Dakota Nursing Student handbook for grading policies in addition to the policies listed below.**

Grades: Grades are given for both theory classes and clinical performance of clinical nursing courses. Students must earn a minimum grade of "C" with a maintained 2.5 GPA or better in all required courses of the program. Students who fail a theory or clinical course will be dismissed from the nursing program. A final grade of D or F is considered to be a failed grade. Any time a student has unsatisfactory grades, he/she should contact the instructor for guidance.

Active Learning: In addition to educational strategies such as reading, listening, and reflecting, when appropriate this class makes use of learning techniques commonly known as active learning. Students should expect to participate in active learning techniques such as discussions and presentations, small group activities, writing, problem-solving, movement, case studies, role-playing, etc. These activities promote analysis, synthesis, and evaluation of class content in order to improve student learning outcomes.

Assignments/Quizzes/Clinical Paperwork: All assignments must be completed and submitted on time in the manner specified by the faculty. Students may fail the course if all assignments are not completed. Late/makeup work will not be accepted (student will receive a 0%) unless previously arranged with the instructor.

Exams: Students will notify the program nursing director/site faculty AND the lead course instructor 1 hour prior to missing the scheduled exam for the day and schedule a time to makeup that exam. Failure to notify these individuals may result in a conference with faculty recommendations for improvement. Missing more than one exam in the nursing courses in one semester as detailed in the attendance area of your handbook will result in an unsafe occurrence report with a performance improvement plan. All exams must be made up within 24 hours of the academic week. Extenuating circumstances will be considered and subsequent actions decided by the nursing program director. Situations where students miss an exam need to be backed up with written documentation by a healthcare provider or other published documentation. It is the student's responsibility to contact the nursing program nursing director to arrange a makeup exam. "Notification" means that the student sends an email with the appropriate information or speaks directly to the nursing instructor AND program director per telephone or in person prior to one hour before the exam is scheduled.

Records of Grades: The faculty strongly endorses the idea that each student is responsible for knowing his/her own academic status based on grades from learning activities. Grades are recorded in the Blackboard Grade Center. All gradebook questions must be addressed by the student to the lead instructor at midterm and then again during the week before finals. There will be no changes accepted to the gradebook regarding absent or late/missed assignments or late/missed exams during finals week. It is the student's responsibility to know what their grades are and contact the instructors or their Nursing Program Director for a plan to improve.

Nursing Department Etiquette: It is expected that students will show sensitivity to their peers as well as instructors by avoiding any activity that may cause distraction during class. Incivility will not be tolerated and is an unsafe behavior. Use of mobile devices and related applications, cameras, side conversations, and children are not allowed in the classroom.

Nursing is a profession and thus requires professional behavior. It is expected that students will act in a professional manner displaying commitment to learning in the classroom, lab, all clinical areas, all college areas, and at all times in the public (including social networking sites when representing the college or the profession of nursing.)

Course study expectations: Commitment to learning is important to success. For every semester credit hour you are taking in a class, three hours needs to be set aside in your weekly schedule to read, study and devote towards your education outside of class.

For example: NURS 120 (3 credit) x 3 hours = 9 hours/week to study (minimal recommended study hours per week.)

DAKOTA NURSING PROGRAM

Bismarck State College • Dakota College at Bottineau • Lake Region State College • Williston State College

Academic Honesty: Academic honesty is held in the highest regard within the Dakota Nursing Program. Academic dishonesty will be addressed following the policies outlined in your college catalog. Dishonesty may result in failure of the course and dismissal from the Dakota Nursing Program.

Student Role in Evaluation of Teaching, Course, and Program Evaluation: The Dakota Nursing Program student will evaluate faculty teaching and curriculum in the classroom, lab and clinical settings. The evaluations are an important source of information for both individual faculty and for program evaluation.

ATTENDANCE POLICY:

The Dakota Nursing Program supports the college policy on attendance as stated in your college catalog. In addition, the nursing program implements strict attendance policies for classroom, lab and clinical experiences. Students are expected to attend all theory, lab, and clinical hours.

Regular, punctual attendance demonstrates safe and professional behavior and responsibility. In recognition of the fact that the primary learning takes place in the teacher-student relationship, the principle governing class attendance is that the student is expected to attend all regularly scheduled classes (classroom, laboratory, and clinical) and is responsible for meeting course objectives. Absences may make it impossible for a student to meet course objective and result in failure of the course. A student may be excused from class or clinical with the approval of the instructor. It is the student's responsibility to make arrangements to fulfill missed assignments with the appropriate faculty member. All makeup work may have a deduction in theory, lab, or clinical applications. All missed hours in lab or clinical need to be made up with an hour for each hour missed. Absences of more than four in any classroom, lab, or clinical course may result in course failure.

Please see the Attendance Policy in your Nursing Program Handbook for directions on how to notify faculty of and for consequences specific to being absent or tardy.

ACCOMMODATIONS:

To request academic accommodations due to a disability that may limit your ability to fully participate in this class/lab/clinical, please contact the disability services office listed for your college below. Personnel from that office will work with you and your instructor to arrange for reasonable accommodations after you have completed the registration process and it has been determined that you qualify. It is the student's responsibility to obtain the request for accommodation and provide it to the instructor and local campus nursing director.

- Bismarck State College Students: contact the Student Accessibility Office at 701.224.5671
- Dakota College at Bottineau Students: contact Disability Support Services at 701.228.5672
- Lake Region State College Students: contact the Disability Office at 701.662.1689
- Williston State College Students: contact the Accessibility and Retention Specialist at 701.774.4224

DROP AND WITHDRAW DATES CAN BE FOUND ON YOUR CAMPUS WEBSITE AT:

BSC – <http://www.bismarckstate.edu/current/records/calendarsdeadlines/>

DCB – <http://www.dakotacollege.edu/academics/academic-calendar/>

LRSC – <http://www.lrsc.edu/academics/term-schedules>

WSC – <http://www.willistonstate.edu/Class-Schedule.html>

If you have any questions about dropping or withdrawing from a class please contact your campus coordinator or registrar.

ADDITIONAL INFORMATION:

All written work must be completed and turned in to the instructor prior to taking any scheduled exam. Any assignments which are not complete and turned in will result in the student failing the course with a grade of F.

Students are required to read the Dakota Nursing Program student handbook upon admission to the program and submit the signature form found in the handbook showing that the student will agree to follow the information and policies found

DAKOTA NURSING PROGRAM

Bismarck State College • Dakota College at Bottineau • Lake Region State College • Williston State College

in the handbook.

Material for this course will be posted onto the Blackboard site. It is your responsibility to check this site for assignments and notes. It is also your responsibility to know what your grade is in the course by reviewing the Blackboard gradebook.

WEB STREAMING (Yuja):

Yuja is a lecture and content capture software that was chosen by the ND University System to provide that service for its 11 campuses. Yuja enables faculty, students and staff to record presentations, lessons, training, an entire lecture, and more. The recorded content is searchable, provides for note-taking and participant rating of content, can be streamed live, and can be used on portable devices having internet access. Yuja integrates with most learning management systems and is ADA compliant. An instructor's lecture for the DNP is recorded and stored within a learning management system for the duration of the semester. Instructors will record IVN and other lectures on Yuja. Students should be aware that their voices or any presentation they do in class may be recorded on Yuja and available via Blackboard for other students in their class to view. The recordings will be available for viewing for the duration of the semester. Watching class via web streaming does not count as attendance for class but is highly encouraged if you are unable to attend class or wish to review concepts covered in class. Please refer to attendance policy if there are any questions.

GUEST SPEAKERS:

Dakota Nursing Program is committed to presenting timely, innovative educational opportunities for its students. As part of those efforts, DNP faculty may invite guest speakers to address the student members of this course. Under FERPA regulations, such guest speakers are considered volunteers who serve a legitimate educational interest to institutional services or functions. Guest speakers will be informed by the faculty member of their responsibilities under FERPA to ensure student privacy. For more information, please visit the Department of Education's FERPA Student Privacy webpage at <https://studentprivacy.ed.gov/>

FACULTY/STUDENT COMMUNICATION:

Faculty/students are responsible for checking course announcements in Blackboard, bulletin boards and/or mailboxes as appropriate at each campus for messages each class day. Email is used extensively within the Blackboard Learning Management System, students are responsible to have a working college email account and check it daily during the semester. Students, staff and faculty are expected respond to emails promptly – within 48 hours during a usual work week or as requested. The purpose is to assure rapid communication between students and instructors. Students must notify the nursing coordinator if their email address changes.

Faculty and students must identify themselves professionally with each contact (mail, email, or telephone). This includes first and last name as well as identification of location within the consortium.

Example of student identification at end of each email:

Joan Miller
DCB – Minot

Communication between students and faculty should remain on a professional level with no questionable jokes, cartoons, etc. transmitted. Students using the institution's computer labs are reminded that they cannot download information onto the computer hard drives. Any information must be stored on an alternate drive.
